In case of an **EMERGENCY:**

1. Remain calm
2. Send someone to get an adult for help
3. Escort younger students to a safe place
4. Return to your station to provide assistance until help arrives
5. Follow any instructions given to you by a teacher or an adult

BE IN CONTROL of your station

STAY FOCUSED AND PAY ATTENTION. You need to be aware of moving traffic in order to keep yourself and your fellow students safe.

MAKE EYE CONTACT. Make sure the drivers see you. Stay on the sidewalk until they've acknowledged that you're walking toward their car.

GIVE DIRECTIONS LOUDLY AND CLEARLY so all students are aware of when to stop and start walking.
